From the Pastor *Prayers for the President*

Whoever is elected president of the United States carries an awesome amount of responsibility on his shoulders. The tasks and burdens are enormous. And whoever assumes this role becomes "our" president. He embodies our values and represents us all.

Join me in praying for Barack Obama. Pray for God to give him wisdom. Pray for God to give him strength. May he and his family be protected from harm. May God also guide the many men and women who assist him day by day.

Never underestimate the power of prayer. It always comes from the depth of God's goodness and power, never our own efforts or sincerity. And keep praying for each other, too.

In His love,  
**Lee**

**PS: Debbie and I thank you for all the ways you have ministered to us in the loss of her dear father. Your thoughtfulness and caring is appreciated more than we can express.**
