From the Pastor

A Helpful Network

Question: How can our church carry out multiple ministries to youth, children, adults, special needs, summer camps, spiritual enrichment, missions, Christian education, discipleship, mission education, stewardship, leadership development, communication, ministry networking, and more?

Answer: through the Virginia Baptist Resource Center and the work of the Baptist General Association of Virginia.

Last month, I was elected to serve on the Virginia Baptist Mission Board for a three-year term. New board members met for orientation last week, and in regular session I was appointed to the Support Services/Business committee and to serve as Vice-chair of this division which helps the other four leadership teams move forward: **Empowering Leaders, Courageous Churches, Emerging Leaders, and Global Missions.**

The work of our state mission organization is extensive, impressive, and important, and I am glad that we participate by supporting Virginia Baptist work in a portion of our regular church budget. It's a work you can be proud of, and I look forward to learning more about it in the years ahead and to telling you more about it.

Yours in Him,

Lee
