**From the Pastor**

***It's the Stupid Economy!***

During the 1992 presidential race, one candidate's campaign pummeled the other with the phrase: "It's the economy, stupid!" Here in 2009, many folks can easily describe their troubles by the phrase: "It's the stupid economy!" It's enough to make you afraid to read the website news outlets or the front page of the newspaper.

Soooo.... is there a word from God?

For three Sundays in March the messages will deal with The Economy. More specifically, what God offers to you in the midst of financial anxieties.

March 8 – **The Economy #1: God Offers Help**

March 15 – **The Economy #2: God Offers Hope**

March 22 – **The Economy #3: God Offers Himself**

The Bible has a lot to say about money and about keeping things in perspective as believers. Let's discover together what God says about... this stupid economy.

Yours in Him,

**Lee**
