Mount Hermon Mission Offering 2010

Given to date - \$2,159.07

Last Sunday began our collective effort to fund many good missions on international, national, and local levels. **Goal: \$10,000**

Check out the race cars in the commons area as each of our MHMO 2010 mission causes races to the finish line! Here is one car on the track...

The CBF Offering for Global Missions goes to field personnel salaries, benefits and ministry expenses. This is the PRIMARY way CBF field personnel are funded, making your gifts an essential part of spreading the Gospel and meeting physical needs in the world.

For the more than 200,000 believers and more than 700 churches in Sichuan (China) province, there are only 200 seminary-trained leaders. Churches are growing much faster than leaders are being trained. -- CBF field personnel **Bill and Michelle Cayard** come alongside these Christian leaders, empowering them with education, encouragement and resources to continue sharing the Gospel and growing churches.

Men who want to play on our church softball team,
come to a practice at the Horner Athletic Complex
