Work is not always required... there is such a thing as sacred idleness, the cultivation of which is now fearfully neglected. -- George McDonald

The best way to pay for a lovely moment is to enjoy it. -- Richard Bach

I write down everything I want to remember. That way, instead of spending a lot of time trying to remember what it is I wrote down, I spend the time looking for the paper I wrote it down on. -- Beryl Pfizer

*Summer Messages*

As promised, I will take Sundays this summer to address questions and issues you have raised or asked about. Unless there is a reason to change, we will consider these topics on these Sundays:

June 15 - God is Good...Who Says?

22 - Knowing the Will of God - Living It, Too

- 29 - So, What Is Predestination, Anyway?
- July 6 - The Practice of Fasting
- 13 - The Green-Eyed Monster
- 20 - How to Forgive, I Mean REALLY Forgive
- 27 - The Second Coming of Christ

It's always my aim to enlighten and inspire believers with a word from the Lord. The Bible is a powerful force in the life of anyone who reads and heeds it! George Fleming is preaching this Sunday, but I will be on hand leading worship and taking the names of people who don't show up... HA!

See you Sunday.

In His love,  
Lee
